Thank you for your continued generosity!

Tithing is an acknowledgment that God is alive and at the very center of our lives. It helps us to recognize that all our money, ability, our very lives belong to God. These things are trusts from God, to be used as He would have them used. This is bound to result in an indescribable freedom that can never come to those who think they must do everything by themselves. Tithing is an act of faith in which you will find a new dimension of freedom.

FAITH DIRECT Thank you for being a part of our St. Henry family. Consider enrolling in eGiving through Faith Direct so that your gift can reach us even when you cannot. Visit www.faithdirect.net and use our church code **AL567**. Thank you for your continued support of our parish! God Bless You!
