## "From the Pastor's Desk"

I have ever heard someone say, "The Mass is boring"? Maybe you've heard your kids say that ... or your friends ... or maybe you've said it yourselves ... either years ago ... or now.

Well, I'd like offer an idea to you that can transform your experience of the Mass into the truly life-giving Liturgy that it is meant to be.

And the idea is to come to Mass every Sunday with this one request in your mind and in your heart:

### God, show me one way in this Mass how I can become a better version of myself this week.

You see, many people come to Mass totally out of duty ... and so their satisfaction comes only from feeling that they fulfilled what their Church has asked them to do: Go to Mass.

But, if you could only look upon that 1 hour investment of your time as the chance to receive one thing that will make your life better ... then you'd be more inclined to show up excited and ready to learn.

Well, I assure you that God wants your Mass experience to be life-giving for you ... so that through **His word that is proclaimed** and through **the homily that is preached** and through **the prayers and blessings that are prayed** and most especially through **the Eucharist that is offered and received ... you will indeed receive the ideas and inspiration** to enhance your life and become a better version of yourself!

To help you in this endeavor, I'd like to offer you your own **personal pocket-size Mass Journal** for free. Bring your Mass Journal and a pen to every Mass and read the message printed on the back cover as Mass begins:

### God, show me one way in this Mass how I can become a better version of myself this week.

Then listen for the message that touches your heart and write it down. Now you've got it! Now you have it to refer to through the week as you pray or have a free minute of time.

The Mass Journals will be available at the end of Mass next weekend for all who would like transform the Mass from boring to beneficial.

God bless you!  
Love, Father Deering
