"From the Pastor's Desk" Happy Easter!

Yes, you read that correctly ... it is not a misprint ... nor is this a re-print of a previous writing. Happy Easter is the greeting I continue to hear from many of you ... especially the 6:30 AM Daily Mass group ... as they do what I suggested everyone do in my Easter Homily ... which is to carry the joy of the great Day of Easter out to the world through the whole 50 Day Season of Easter!

Why? Because it just happens to identify the Greatest Day in History ... **the Greatest Day Ever!** To know the immensity of what God accomplished on that day ... that He overcame sin and death and made the grave a sign of Hope, even as it claims our mortal bodies ... that is something that should fill our hearts with a daily Joy ... a Joy that just won't go away!

St. Paul experienced the Joy of the Resurrection when he heard Jesus question him about persecuting the Church. Paul was immediately baptized and went on to spend the rest of his life sharing the Joy of the Risen Christ with everyone he met. How long did he hold onto **his Easter Joy ... for 25 years!**

And **St. Peter**, who saw the Risen Lord on several occasions and served as the First Pope of Christ's Church How long did he carry **his Easter Joy ... for 34 years!**

So you see, these great leaders give us a record that we may never have thought of before ... a goal not measured in **days** ... but in **years**.

The goal for us is to carry **Easter Joy** in our hearts every day ... for the rest of our lives! This is what will carry us through every storm and over every obstacle in this life and prepare us for Eternal Joy in Eternal Life.

So how are you doing? Is the Joy of the Resurrection still alive in your heart? If it is ... then let it shine! Share the Good News of the Risen Lord with everybody and anybody you meet. They need to know what we know ... that we're loved by God ... that God wants our salvation ... not our condemnation.

Now if for some reason you don't know how to share this Good News with others, come learn from men and women who do this all the time, at the **Evangelization Conference** here in Birmingham May 17 - 19!

You can have dinner with **Scott Hahn** and others and learn how they share their love for God with others.

Pick up a flyer and register so you can become more proficient in sharing the Good News with others.

Happy Easter! Love, Father Deering

Right to Life "Abortion is not as safe as the pro-abortion forces would like for you to believe. There are well documented studies which indicate that abortion causes infection, hemorrhage, cervical tears, perforation of the uterus and other organs, sterility, breast cancer and death; this is just the mother's risk.
