"From the Pastor's Desk"

There's a word that we, "People of God" love to hear ... and the word is "**Family**" ... where the image that comes to mind is a Father and a Mother and their Children bound together in a union of love.

This is definitely God's desire for He designed us in His image and likeness and He Himself is Family ... He is Father and Son and Holy Spirit bound together in a union of love.

Now the Devil is opposed to all of this! He freely chose to turn away from God, and will be eternally separated from God, which means he will be eternally separated from love.

He's in total misery by his own free choice and if there's any solace for him it would be for us to join him in separation ... recall the saying: "*Misery loves company.*"

And so, in an ever increasing way, the Devil is attacking the Family to tear it down and destroy its bond of love.

How sneaky he is! Just think of how many families will never even come into existence because of the anti-family practices of **abortion** and **contraception** ... which prevent people from being born into Families where they would grow up and have Families of their own and on and on and on!

Well, in the last few years, the Devil has launched an additional assault on the Family by deforming the very definition of what it means to be Family.

And so, state by state, the people of this Country are being lulled into accepting, approving and blessing **homosexual unions** as Family.

This is a **grave distortion** of God's design and again if there could be any satisfaction in Hell, it would be that the Devil is being successful in fooling people to take a path in this life that will lead them to be with him.

In the very first chapter of the Bible, God clearly lays out **His design for the Human Family.** We read:

God created man in His image; in the Divine Image He created man; male and female He created them and blessed them saying be fertile and multiply; fill the earth and subdue it There's no way that two men or two women can be fertile and multiply ... which is what the devil wants ... because then fewer humans will be born to glorify God in this life and fewer souls will dwell with God in Heaven.

Don't be fooled by the rationalizations of our culture. This is **not** a **Civil Rights issue** as was the slavery issue years ago. This **is** a **Divine Law issue**, which has pleased God and sustained man for thousands of years.

Deforming **Marriage** is deforming **the Family** and it will result in the demise of any country that embraces it.

Please pray that all embrace **God's design for the Family!**
Love, Father Deering

Please pray for our homebound

Right to Life Abortion is justified by claiming the killing of babies is "safe and legal." An abortionist clinic owner said, "I just go by what the courts say. I only do what's legal." There were the same justifications used by "doctors" who participated in the massacre of millions at Auschwitz. Evil doesn't change.
