"The Church's first truth is the love of Christ. The Church makes herself a servant of this love and mediates it to all people: a love that forgives and expresses itself in the gift of oneself. In our parishes, communities, associations and movements, in a word, wherever there are Christians, everyone should find an oasis of mercy."

~ Pope Francis

Susan's Fund (In memory of Susan Dearing)

The Ladies Altar Sodality would like to thank all of you for your generous contributions of food and clothing to Susan's Fund. All of the donations go to the Catholic Center of Concern to help our brothers and sisters in Christ. But the Center is undergoing some renovations and is not accepting any clothing at the present time. This is temporary and we will let you know when clothing donations resume. Please continue to contribute food items, paper products and cleaning products. They are so greatly needed by the poor who are living on the edges. We encourage you, especially during Lent, to have your children and grandchildren bring items of food and leave them in the plastic bins in the front vestibule, parish hall and in each PSR classroom.

Right to Life Just because something is legal does not make it moral, ethical or right. Abortion is perhaps one of the most dramatic examples of a situation where something is legal, but is very much a sin against God and affront against mankind. Fight the pro-death forces today. Tomorrow your life may depend on it.
