Just because something is legal does not make it moral, ethical or right. Abortion is perhaps one of the most dramatic examples of a situation where something is legal, but is very much a sin against God and affront against mankind. Fight the pro-death forces today. Tomorrow your life may depend on it.

Pope Francis' App "Click to Pray"
 Connects Catholics to a global network to share prayer requests via their smartphone. Try this app which allows users to post prayer intentions. The android and iOS app includes the pope's monthly prayer intention, all of the mysteries of the rosary and daily prayers for morning and ways to share that you have prayed. The pope opened the new app using an iPad during his Angelus address and encouraged young Catholics, in particular, to download the smartphone app to pray the "Rosary of Peace".

THOUGHT FOR THE DAY

When Christ hung dying on the Cross, despite His earlier betrayal, arrest, humiliation, beatings and torture; despite suffering the most painful death and being taunted and tormented by His enemies, He still had love in His heart and asked for forgiveness on behalf of these people.

We are asked to do the same. We are asked to forgive others just as He forgave us. When we recite the Lord's Prayer He taught us, we seek His forgiveness and promise to forgive others. And to love unequivocally, all those within our circle of acquaintance, never mind our enemies, and to turn the other cheek is certainly not within our powers. No matter how much we try, there will always be one person whom we do not like, who rubs us the wrong way, whom we'd rather avoid. Yet we're asked to love one another as He has loved us. Impossible.

So ... what are we to do? Are we doomed to failure? Unable to forgive totally and to love without reservation?

Our response to Christ's Commandment is to try as best as we can to obey it. Through gritted teeth perhaps, we should try again and again to forgive and to love. The memories of the hurts done to us will return, but these should not stop us from forgiving again and again.
