### **Right to Life**

*“There is no difference between a first, second or third trimester abortion... it’s just terminating... a human being at different stages of development”.*

### **Right to Life**

*“The mystery of the Incarnation reveals the wonderful dignity of human life. As God’s gift, it must be protected, from conception until natural death”.*

### **Right to Life**

*68.7% of women who have abortions consider themselves Christians! What is happening in our churches that these women believe they can have an abortion and still consider themselves good Christians? If more churches would preach all of God’s word, women and men would choose life.*

### **Right to Life**

*“Homicide is homicide, no matter how small the victim.” Archbishop Charles Kaput*

April 24, 2012

### **Right to Life**

*14,000 women have abortions each year because they become pregnant after rape or incest. This is just 1% of the 1.37 Million abortions performed; meaning that the other 99% of all abortions that occur have nothing to do with rape or incest!*

### **Right to Life**

*Abortion is the foundation upon which a violent nation is built. When a baby can be legally killed it leads to disrespect for all life. Violence breeds violence.*

### **Right to Life**

*If you were born after abortion was legalized on January 22, 1973, you are a living survivor of the American Holocaust. Thank God your mother chose life for you and pray that all expectant mothers will choose life for their babies too.*

July, 22, 2012

### **Right to Life**

*Pray for those mothers and fathers, who suffer from the effects of abortion that they might seek and find the healing forgiveness of God.*

### **Right to Life**

*Pro-abortionist claim that abortion should be “safe, legal and rare” -- far from true! While it may be legal, for the time being, it is certainly not safe for the baby, who is killed nor for the mother, who is wounded in body, mind and soul. And with 4000 abortions being performed each day, it is definitely not rare, in fate, it’s the leading cause of death in America. Pray to end abortion.*

### **Right to Life**

*Abortion is deadly violence against defenseless human beings. Pray for an end to abortion so that peace, not violence, will blossom.*

August 24, 2012

### **Right to Life**

*Abortion is the most awful form of child abuse ... for the child never recovers.*

### **Right to Life**

*Be a war protester... protest the war being waged against our unborn children. Demand an end to war so all babies can live in their mother’s womb in peace.*

### **Right to Life**

*Abortion providers have admitted that when people are praying in front of the abortion mill, 30% of their appointments do not show up. Many women admitted that if someone was praying outside the day they had an abortion, they would never have aborted. Go and Pray!*

*God's love does not distinguish between the infant in the mother's womb or the child or the youth or the adult or the older person. In each one God sees His image and likeness. Human life is a manifestation of God and His glory." Pope Benedict XVI*

**Right to Life**

*The National Vietnam Memorial in Washington DC is a shiny black wall that stretches 492 feet and lists the names of the 58,022 known Americans killed in that war. If such a wall listed the names of the 52,000,000 babies who were killed by abortion since 1973, the wall would be almost 900 times longer, measuring 438,240 Feet or 83 miles in length! The casualties of all our wars put together are fewer than the casualties from abortion in a single year.*

**Right to Life**

*"The first priority, the fundamental priority of the common good is protecting and supporting human life, for without life, there is no common good". - Bishop Arthur J. Serratelli*

*How can our Declaration state that all have the right to life, liberty and the pursuit of happiness when the state sponsors the killing of the unborn?*

**Right to Life**

*Medical research has shown that when an 8 week old human baby is pricked in the palm of his hand by a needle, he opens his mouth and pulls his hand away. There is also an increase in heart rate as a result. That Hand, That Heart and That Reaction belongs not to a blob of tissue but to a Human Baby!*

**Right to Life**

*Pope John Paul II and Pope Benedict XVI have stated numerous times that there is no greater work to be done than to defend innocent human life, and "woe to us if we fail". Our future depends on it; the future of our nation depends on it; and the future of our souls could depend on it.*

**July 28, 2011**

**Right to Life**

*Abortion is killing our nation.....*

*Pray for an end to abortion!*

**Right to Life**

*Every single person is sacred to God whether they be embryo, fetus, infant, toddler, teen, adult or senior citizen. Abortion is a mortal sin because it kills a human person.*

**Received August 28, 2011**

**Right to Life**

*What is the single most important issue today? The economy, the environment, the war, education? What could possibly take precedence over the fact that 3,500 lives are brutally snuffed out every day by abortion.*

**Right to Life**

*Abortion and euthanasia are forms of capital punishment. Pray for an end to capital punishment.*

**Right to Life**

*Every human person has the dignity of being created in the image and likeness of God, destined from eternity for eternity, no matter how weak or how strong, no matter how young or how old, no matter how productive or how burdensome, no matter how welcome or how inconvenient. All humans are wanted by God and are therefore to be respected, protected and cherished by us.*

**Right to Life**

*Do you realize that the number of abortions performed each year is now 42 million worldwide? That's like a state with the population of California, being destroyed each and every year. Abortion is destroying our future.*

**Right to Life**

*Every person has a God given right to life. Abortion ends a person's life. There are positively no circumstances that justify abortion.*

**Right to Life**

*"The care of human life and happiness and not their destruction is the first and only legitimate object of good government." Thomas Jefferson*

**Right to Life**

*"The National Vietnam Memorial in Washington DC is a shiny black wall that stretches 492 feet and lists the names of the 58,022 known Americans killed in that war. If such a wall listed the names of the 52,000,000 babies who were killed by abortion since 1973, the wall would be almost 900 times longer, measuring 438,240 Feet or 83 miles in length! The casualties of all our wars put together are fewer than the casualties from abortion in a single year.*

**Right to Life**

*"The first priority, the fundamental priority of the common good is protecting and supporting human life, for without life, there is no common good". - Bishop Arthur J. Serratelli*

*How can our Declaration state that all have the right to life, liberty and the pursuit of happiness when the state sponsors the killing of the unborn?*

**Right to Life**

*Medical research has shown that when an 8 week old human baby is pricked in the palm of his hand by a needle, he opens his mouth and pulls his hand away. There is also an increase in heart rate as a result. That Hand, That Heart and That Reaction belongs not to a blob of tissue but to a Human Baby!*

**Right to Life**

*Pope John Paul II and Pope Benedict XVI have stated numerous times that there is no greater work to be done than to defend innocent human life, and "woe to us if we fail". Our future depends on it; the future of our nation depends on it; and the future of our souls could depend on it.*

**Right to Life**

*Abortion is killing our nation.....*

*Pray for an end to abortion!*

**Right to Life**

*Consider that in America, each and everyday 3,500 boys and girls, each one lovingly created by God, are brutally killed by surgical abortion. Pray to stop this madness.*

**Right to Life**

*"Not only does abortion kill unborn children; it destroys constitutional order and the common good, which is assured only when the life of every human being is legally protected" ~ Cardinal Francis George*

**Right to Life**

*"We fed the public a line of deceit, dishonesty, a fabrication of statistics and figures. We sensationalized the effects of illegal abortions, and fabricated polls which indicated that 85 percent of the public favored unrestricted abortion, when we knew it was only 5 percent. We unashamedly lied, and yet our statements were quoted (by the media) as though they had been written in law." ~ A statement from ex-abortionist Dr. Bernard Nathanson.*
